

Debate Results Pair SWC Loss With San Marcus Win

The Rice Debate team, with representatives attending two tournaments, met with mixed fortunes last weekend.

Red Martin and Larry Moore, traveling to San Marcus for the Southwest Texas College Tournament, captured first place and a superior certificate for their flawless performance. Martin and Moore, debating together for the first time this year, won all four of their debates and accumulated

higher speaker points than the other 4-0 team to take top honors.

ON THE LESS pleasant side of the ledger, Rice's four-man delegation to the Southwest Conference Debate Tournament, held this year at College Station (and scheduled next year for Rice), returned with no trophies but with the consolation of having beaten some of the area's top teams.

Eddie Price and Mike Jaffe, debating the affirmative, and Sears McGee and Jim Doyle, upholding the negative, recorded identical 3-3 records in the six-team round-robin tournament.

Three Rice debate teams will travel this weekend to Winfield, Kansas, to attend the 50-school tournament.
