This evening's program showcases music of the American popular style. Several composers are represented, including Irving Berlin, Harold Arlen, and Richard Rodgers, as well as arrangers as diverse as Kirby Shaw, Mark Hayes, and Gene Puerling. The libretto of each of the songs will serve to remind us of the genius of the words that carry the music. The Waltz Medley of Rodgers and Hammerstein songs is arranged by Thomas Jaber and is based on a concept by Michael Ehrman.

***Thomas Jaber** is Director of Choral Activities and Vocal Coach at the Shepherd School of Music.*

***Linda Phenix** is choreographer of the Rice Dance Theatre and Chrysalis, a professional dance ensemble.*
