Creating Digital Exhibits for Cultural Institutions

Big Fiction

Archive Activism

“Providing a look not just at where DH stands but also where it is going, this fourth volume in the Debates in the Digital Humanities series features both established scholars and emerging voices pushing the field’s boundaries, asking thorny questions, and providing space for practitioners to bring to the fore their research and their hopes for future directions in the field.”

WHITE PAPER: GENERATIVE AI IN SCHOLARLY COMMUNICATIONS

“The paper looks at the ethical, legal, and practical aspects of GenAI, highlighting its potential to transform scholarly communications, and covers a range of topics from intellectual property rights to the challenges of maintaining integrity in the digital age. The paper provides best-practice principles and recommendations for authors, editorial teams, reviewers, and vendors, ensuring a responsible and ethical approach to the use of GenAI tools.”

DIGITAL TRANSGENDER ARCHIVE

“The purpose of the Digital Transgender Archive (DTA) is to increase the accessibility of transgender history by providing an online hub for digitized historical materials, born-digital materials, and information on archival holdings throughout the world.”
